Launching Fall 2019

Evoshare has partnered with Paylocity to make it even easier for companies to offer their employees this unique solution -- without the heavy lifting by the HR and Payroll teams.

InvestmentNews

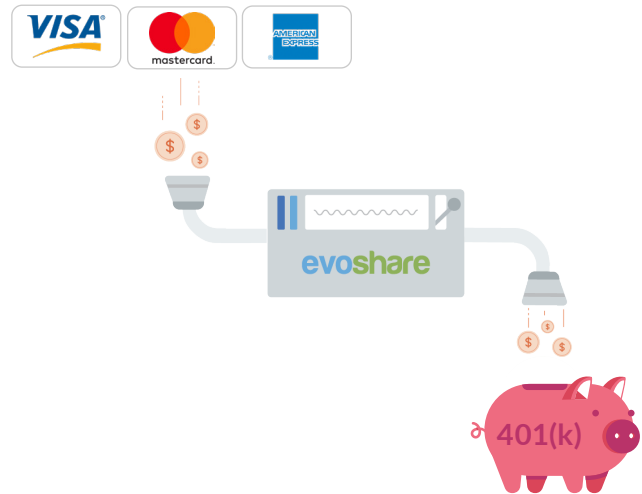

“ Spending and saving are kind of like oil and water — they don't mix well together. But one company is trying to link credit-card spending to increased retirement savings, and financial advisers are taking notice.”

The Problem

For too long, there has only been **ONE SOURCE** of money for employees' 401(k) plan - your paycheck.

Our Solution

With EvoShare and Paylocity, employees can enjoy a **NEW** source of money for their 401(k) - cash-back on their daily spending.

How It Works For Employees

Sign Up

Employee signs up and links any debit or credit card(s) with Visa, Mastercard, and American Express

Shop As Usual

Employees shop and earn up to 30% cash-back at 18,000+ online and local businesses

Get Cash-back

toward their 401(k) plan* through payroll deductions powered by *paylocity*

*Cash-back rewards can also be applied toward 💰 IRAs, 🎓 student loans, and 🏠 college savings plans.
